A not-for-profit health system

“We...find their imaging architectural and structural knowledge, creativity and responsiveness to be excellent.”

- *President, AGI Healthcare*

“BFHL always responds to our requests in a timely fashion, is thorough in its work, and makes itself available whenever needed. This makes a huge difference in accomplishing our goals. You are a pleasure to work with!”

- *Director of Plant Ops, NorthBay Healthcare*

“BFHL is excellent with its drawings, time commitments and customer service! I've worked with 3 different architectural firms in one years time and you guys are outstanding.”

- *Clinic Administrator, Brentwood ACC*

“We would like to express our appreciation and thanks for the excellent collaborative effort and exemplary work product produced by BFHL.”

- *Sr Project Manager, Nielsen Dillingham Builders*

“BFHL feels like a part of our own organization - a real partnership.”

- *Development Director, Meridian Health Services*

"BFHL thoroughly investigated the existing conditions, made suggestions that have saved the owner money and improved the new facility."

- Sr Capital Projects Manager, San Mateo County

"It's always a pleasure working with your firm and I know I can always rely on A+ service."

- Project manager, Kaiser

"BFHL met or exceeded our expectations in all facets of the project...we recommend BFHL's services without reservation."

- Project Manager, Studio Direct

"We feel we have a much better design as a result of BFHL's input on the functional design of our Ambulatory Surgery Center. The architect really stood in our shoes for this project." - Physician OR Director, NVLY
